- No monthly account keeping fee, but other fees and charges may apply;
- Interest may apply.

#### Key eligibility requirements:

- Individuals aged 55 years or over;
- Retired.

#### Class of consumers.

This product is designed for a class of consumers whose likely needs, objectives and financial situation (as set out below) are aligned with the product and the product's key attributes.

This product is for those who:

- Are retirees aged 55 years or over that want a transaction account to deposit or withdraw funds by various channels, and also want to earn interest on account balances.

#### Needs, objectives and financial situation.

This product is designed for consumers who:

- Are retirees aged 55 years or over that need a transaction account to deposit or withdraw funds by various channels;
- May want to earn interest on an account balance;
- Are likely to have funds available to deposit and withdraw, and cover any applicable transaction fees and charges;
- May have spare funds to deposit to earn interest.

#### Alignment to target market.

This product is likely to be consistent with the likely objectives, financial situation and needs of the class of consumers in the target market. This is based on an assessment of the key terms, features and attributes of the product and a determination that these are consistent with the identified class of consumers.

## Distribution conditions and restrictions:

### Distribution channels.

This product is designed to be sold via the following means:

- Banker assisted channels including in branch, over the phone, mobile bankers and Relationship Managers under a personal advice or no advice (factual information only) model.

### Distribution conditions and restrictions.

This product should only be distributed under the following circumstances:

- If a consumer meets the eligibility criteria for this product;
- Banker assisted channels including in branch, over the phone, mobile bankers or Relationship Managers, with bankers who:
  - are required to be trained to meet role-based accreditation requirements;
  - are able to discuss the product features, eligibility requirements, fees and charges including key differences from other relevant deposit products we offer;
  - have access to tools and resources such as product information;
  - are required to follow the policies, procedures and systems including in relation to eligibility criteria.
- All distribution channels are subject to appropriate controls and/or monitoring.

### Appropriateness of distribution conditions and restrictions .

We have assessed that the distribution conditions and restrictions will make it likely that consumers who acquire the product is in the target market. We consider that the distribution conditions and restrictions are appropriate and will direct distribution towards the class of consumer for whom the product has been designed.

## TMD reviews.

We will review this TMD in accordance with the below:

Initial review	Within 2 years of the effective date.
Periodic reviews	At least every 2 years from the last review.
Review triggers	<p>The review triggers (which reasonably suggest the TMD is no longer appropriate) that may result in an earlier review of the TMD include material changes to the design or distribution of the product including related documentation, material changes in law or taxation policy that may affect the operation of the product, or:</p> <ul style="list-style-type: none"><li>• Significant changes in metrics. These include complaints (e.g. relating to key product attributes, product suitability and sales conduct), account activity and balance levels, and account closure volumes;</li><li>• Distribution conditions found to be inadequate;</li><li>• Any direction from ASIC which requires us to cease distribution of the product;</li><li>• Occurrence of a significant dealing.</li></ul>
